To, The Secretary to the Chief Commr
of Mysore in the P.W. Dept.

Sir, I have the honor to inclose
copy of letters I have this day addr-
-ed to the Executive Engineers Tumkur
and Hassan Divisions regarding
house rent to be recovered from School
Masters,— My predecessor had the
honor to address you at some length
on the general question, of house
rent— and the only points that now
require to be settled are those
affecting School Masters and Apo
thecaries, regarding the former, I
see no reason for neglecting the
orders of Government, the question
mooted by the Director of Public
Instruction, appears to be School
Masters on Equivalent rank and
Salary for the rent demanded
is, I trust, the Chief Commissioner
will agree with me, a question I
cannot enter into— I am bound
to carry out the above rules and
I shall be much obliged if the Chief

Chief Commissioner will issue the necessary orders to the Educational Department that the matter may be at once settled

2. I enclose copy of a letter from the Accountant General P.W.D. dept. relating to rent from Apothecaries. The Inspector General of Hospitals was asked on the 4th January 1870 to state what Medical Subordinates should be charged with house rent, no reply has been received to the letter, but I trust it may not be necessary to trouble the Chief Commissioner on this point
